

SIPP

Benefit form – annuity purchase

Important notes

Before deciding how and when to access your SIPP we recommend you consider taking financial advice from an FCA-regulated financial adviser, who may charge you for their services.

Pension Wise service

You are also entitled to free, impartial guidance on your options for accessing your pension from the Government-backed Pension Wise service. We can arrange a Pension Wise appointment on your behalf with an independent pensions specialist who can talk you through your pension options to help you make an informed decision. If you would like us to book an appointment for you, please call us on 0345 25 05 609. Or you can book an appointment online at Moneyhelper.org.uk/nudge-public or by telephone by calling 0800 100 166. The Pension Wise service is complementary to, but is not intended to replace, full regulated advice.

This benefit form must be completed if you wish to purchase a lifetime annuity

The 'payment details' section only needs to be completed if we will be paying your tax-free lump sum.

If you wish to transfer all or part of your SIPP to an insurance company to purchase an immediate guaranteed lifetime pension (also known as an 'annuity'), and for them to pay out any tax-free lump sum, do not complete this form. You must complete a transfer out form.

Please complete all sections of this form including Part A of the annuity discharge form. You should then send the form to your insurance company who should complete Part B of the annuity discharge form and return all completed forms to us.

Evidence of age

Please note that we reserve the right to request a copy of your birth certificate and, if you are married, your marriage certificate, before any benefits can be paid. Alternatively, you can send us a copy of your current signed passport or driving licence, showing your date of birth and full name. Copies MUST be certified by an independent person (not a family member), who must also provide their full name, address and daytime contact telephone number. We will use age verification systems to confirm your date of birth. We will request further evidence if our searches are unable to verify this information.

1. Advice basis

Please confirm the following by ticking the relevant box(es):

I do not wish to receive guidance as I have received advice on my chosen benefit options from a regulated financial adviser

If you have answered 'Yes', please go straight to section 4 'Personal information' then ensure your adviser completes and signs section 7. You do not need to complete the sections below.

If you are not acting on the basis of advice, please select the option below that is most applicable to your circumstances:

I do not have a financial adviser

I have a financial adviser but have not taken advice from them on my benefit options

I have a financial adviser and have taken advice from them on my benefit options, but have chosen not to follow that advice

Please now complete section 2 "Pension Wise".

2. Pension Wise

You must select one of the following for us to process your request:

I do not wish to receive guidance as I have received advice from a financial adviser

I have received guidance from Pension Wise (please confirm the date of your appointment)

I would like AJ Bell to book a Pension Wise appointment for me (please call us on 0345 25 05 609 to arrange this)

I will arrange a Pension Wise appointment myself

I do not want to take guidance from Pension Wise

If you choose to attend a guidance appointment with Pension Wise, you must contact us after the appointment to confirm that you have received the guidance. We cannot proceed with your request to take benefits without your confirmation. If you would like us to book an appointment for you, please call us on 0345 25 05 609.

3. Points to consider before taking benefits

It is important that you consider and understand the risks associated with the type of benefits you wish to take from your SIPP.

Before completing the rest of this form, please read the following questions and answer either 'Yes' or 'No' as appropriate. Please also read and consider the risk statements which follow each question.

You must complete this section in order for us to be able to process your benefits.

- 3.1 Have you considered a range of annuity providers and products? Yes Go to question 3.2
No Go to question 3.1a

3.1a If 'No', please be aware that by shopping around a range of annuity providers, you may find you can obtain a better value annuity than the one you have chosen.

Your health and lifestyle may mean you are eligible for an annuity offering higher payments. You should give your annuity provider information about your health or lifestyle factors.

If you choose an annuity where payments do not increase with inflation each year, the purchasing power of the payments you receive will fall over time.

An annuity can provide pension and lump sum benefits to others after your death. When choosing an annuity, you should consider whether others may be relying on the annuity after your death.

Have you read and understood this statement and sections 3.3 and 6.2 of our Benefits Guide?

- Yes Go to question 3.2
No Go to question 3.2a

- 3.2 Are you sure that it is the right time to purchase an annuity? Yes
No Go to question 3.2a

3.2a If 'No', be aware that your choice to purchase an annuity is a one-off decision that cannot be reversed. Your circumstances may change in the future, meaning your choice of annuity is no longer right for you. The timing of your annuity purchase is important, as the annuity market may be low when you choose to purchase the annuity.

Have you read and understood this statement and section 2.1 of our Benefits Guide?

Yes

- 3.3 Do you understand that if you withdraw income to invest elsewhere you will have to pay charges when re-investing? Yes
No

3.3a Most investments carry charges that will affect the money you get back. It is important that you consider the level of charges you would have to pay to re-invest and any ongoing charges.

Future pension contributions

If you have not previously flexibly accessed your pension benefits and you are purchasing a traditional lifetime annuity, you will continue to have an annual allowance of £60,000.

If you have previously accessed flexible benefits, or if you are purchasing a flexible annuity that offers payments which can decrease in value, you can receive tax relief on contributions up to £10,000 each year. This includes contributions made to all money purchase pensions, including the SIPP.

I have read and understood all of the above questions and risk statements and confirm that I wish to proceed with my application for benefits. *(Please tick the box to confirm.)*

4. Personal details

Please provide the following information about yourself.

Surname

Forename(s)

Permanent residential address

Date of birth

Your SIPP reference

5. Annuity details

Insurance company name

Please enclose the insurance company's proposal form, together with a copy of your annuity quotation and our annuity purchase discharge form (available at the end of this application form).

Please note that we cannot pay your tax-free lump sum (if any) until we have final details of your chosen annuity. Further information on annuities can be found in our benefits guide, but we cannot provide any advice in relation to your annuity purchase.

Your fund can be used to purchase an annuity in one of two ways, as shown below. Please choose one of these options and complete the relevant information.

1. Purchase a lifetime annuity from all or a part of the unaccessed funds in your SIPP

If you wish to take a tax-free lump sum now, and use the remainder of the fund to purchase an annuity, please complete one box below to indicate the amount or percentage of your fund that you wish to access. This amount or percentage must be the total of the amount to be applied to provide a lifetime annuity, and the amount of any tax-free lump sum linked to that annuity. Please do NOT enter only the percentage that you wish to be taken as a tax-free lump sum.

Please also complete the 'Available lump sum allowance' section of this form.

All of my fund or £ or % of my fund

2. Purchase a lifetime annuity from all or a part of your existing drawdown funds

If you wish to use your existing drawdown funds (funds you have already taken a tax-free lump sum from, and which otherwise remain invested) to purchase an annuity, please complete one box below to indicate the amount or percentage of your fund that you wish to use for the purchase.

All of my fund or £ or % of my fund

6. Payment details

Please provide details of the bank/building society account to which you wish your tax-free lump sum (if any) to be paid.

Name of bank / building society

Account type

Important note: Before any payments are made, we reserve the right to request a bank statement for the account you wish payments to be made to. Alternatively, you can send us a paper bank statement when you submit this form. We will not accept a screenshot or photograph of an online statement. The statement must be no more than three months old and must include your name, address, name of your bank, sort code and bank account number. We will use verification systems to confirm the bank account details provided and will request further evidence if our searches are unable to verify the information.

Once your tax-free lump sum has been calculated, we will make payment by BACS, which takes four working days to clear in your bank account. Alternatively, we can make payment by CHAPS (same-day transfer) at an additional cost.

Please tick the box if you would like us to make payment by CHAPS.

Do you have a protected pension age? Yes No If 'Yes', what is the protected pension age?

7. Available lump sum allowance

The lump sum allowance was introduced on 6 April 2024. Before that, tax-free lump sums were limited to 25% of your lifetime allowance. If you've accessed a pension with another provider, we'll need to know how much lump sum allowance you've already used. We may also need information about your lifetime allowance usage if you've accessed a pension before 6 April 2024.

! If you only accessed a pension before 6 April 2006, this will reduce your available lump sum allowance when you come to take a lump sum from your SIPP. If you've taken a serious ill health lump sum, this will also affect how much you can take as a lump sum. In both cases, **please contact us before completing this form.**

To learn more about the lump sum allowance and how much tax-free lump sum you could take, see our [Benefits guide](#). If you're not sure how much lump sum allowance you've already used up, please speak to a financial adviser before continuing – you could face additional tax charges if you provide incorrect information.

1. Have you already accessed a pension with another provider? Yes No

If Yes, go to question 2. If No, go to question 4.

2. Have you used any lump sum allowance (£) to date? Yes No

If you access a pension(s) on or after 6 April 2024, your provider(s) will tell you how much lump sum allowance you've used. This will be in £ sterling.

Total lump sum allowance used £

Or

If you only accessed a pension(s) before 6 April 2024, we'll instead need to know the total percentage of your lifetime allowance used. Your provider(s) would have told you the percentage lifetime allowance you used each time you accessed a pension before 6 April 2024.

Total lifetime allowance used %

3. Have you got a transitional tax-free amount certificate?

Yes No

If you have a transitional tax-free amount certificate, then you must use it the first time you access a pension on or after 6 April 2024 to calculate your available lump sum allowance. If you have been issued a certificate from another provider, then you will need to send us a copy of your certificate with this application. Please scan this to platinumsipp@ajbell.co.uk. Failure to do so may result in you paying more tax than you need to.

A certificate may in some cases give you a higher lump sum allowance, most typically if you took less than 25% tax-free lump sum from a defined benefit (final salary) pension or you turned 75 before 6 April 2024 and used a significant amount of your lifetime allowance. You won't be able to apply for a certificate once you've accessed a pension for the first time on or after 6 April 2024 with any provider.

4. Have you registered with HMRC for any type of protection?

Yes No

If you've registered with HMRC for transitional protection, they will have sent you a certificate or confirmation.

If Yes, what type(s) of protection have you registered for? Please tick all that apply.

|----------------------------|--------------------------|----------------------------|--------------------------|
| Primary protection | <input type="checkbox"/> | Enhanced protection | <input type="checkbox"/> |

| Fixed protection 2016 | <input type="checkbox"/> | Individual protection 2014 | <input type="checkbox"/> |
| Individual protection 2016 | <input type="checkbox"/> | | |

It is possible to apply for fixed protection 2016 and individual protection 2016 until 5 April 2025 provided you meet certain conditions.

Have you previously sent us a copy of your protection certificate or online service protection summary from HMRC?

Yes No

You will need to send us a copy of any protection certificate or online service protection summary you have from HMRC. You can scan a copy of these documents to platinumsipp@ajbell.co.uk.

5. Beneficiary nomination

If you are not using all of your SIPP to purchase an annuity, please complete this section.

The scheme administrator will use your remaining pension fund to provide benefits for your spouse, civil partner, dependants, members of your family, or other beneficiaries.

The nomination below ensures that the widest possible range of people is eligible to receive payments after you die. (Please read our expression of wishes guide for help with completing this form.)

Please note that if you are unsure about the implications of making the nomination and related expression of wishes, or if you would like any advice about the effect of doing so, you should consult a financial adviser or other appropriately qualified professional.

Nomination

In the event of my death, I nominate all individuals who are Eligible Benefits Recipients (as defined in the scheme trust deed and rules) as the persons to whom the scheme administrator should consider allocating any payments from my SIPP.

Expression of wishes

In the event of my death, my wishes are that you consider allocating payments from my SIPP to my Eligible Benefits Recipients as follows:

Note: if you wish to nominate a trust to receive payments from your SIPP after you die, please ensure you provide full details of the trust in the 'Full name' section, i.e. The Trustees of the <Name of Trust> established on <date>.

6. Customer's declaration and undertaking

I hereby request and consent to the payment of benefits as set out in this form and agree that:

- a. It is my responsibility to ensure that there is sufficient cash within my SIPP to pay benefits as they fall due.
- b. The basis used for valuing investments held under my SIPP for the purpose of understanding the value of benefits being accessed (and how this impacts on the lump sum allowance) will be determined by the scheme administrator, taking into account HMRC requirements. In particular, I understand that the value used for some types of investment (e.g. UK quoted stocks and shares) for this purpose may be different to that shown on my valuation statements.

I declare that:

- i. The information contained in this form is, to the best of my knowledge and belief, true, complete and not misleading.
- ii. As a consequence of payment of the tax-free lump sum requested by this form (if any), the amount of contributions paid by me, or on my behalf, to any registered pension scheme is not, and will not be, significantly greater than it would otherwise have been.
- iii. I agree that I will indemnify the scheme administrator against any liability to pay any tax or other charges which arise out of the provision of false or misleading information.
- iv. I understand the risks associated with accessing my pension, as set out in the AJ Bell Platinum SIPP benefits guide.

If you have any doubts whatsoever about which option is most suitable for you, then please contact a regulated financial adviser or the Government's Pension Wise guidance service. We cannot provide you with any advice.
